CUSTOMER VIRTUAL MEASURE CHECKLIST

Below we ask customer to fill out this form before your scheduled virtual design consultation. This will allow our designers to best suite your needs during the virtual design consultation.

Appointment Day & Time: _____ Code: join.me/orgoptions

PROJECT QUESTIONS

1: What areas are you looking to have installed?

(Examples: Master Closet/Mudroom/Pantry/Reach-in/Garage/Laundry-Room)

2: What would you like to see in the desired area?

(Examples: Drawers/Hampers/Countertops/Islands/Double-Hang/Long-Hang)

3: What finishes, or hardware have you seen or would like?

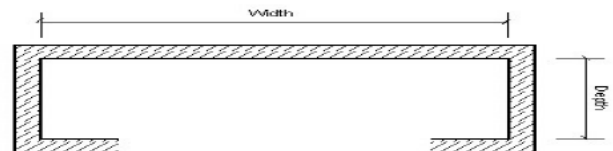

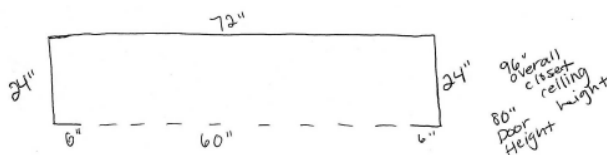

(Examples: White/Cherry/Gray) (Matt Nickel/Polished Chrome/Oil Rubbed Bronze)

4: Does your project require a tear-out?

(Examples: Removal of old system, patching of holes)

MEASURING YOUR AREA

- Draw an overhead view of your area (See Examples Below)
- Measure the width of each wall
- Measure the height of the walls

Floor Plan (Bird's Eye) View of a Closet

Side Note: Designs & quote will be 100% preliminary and will require designer to verify measurements before installation. Please, email this form and measurements before appointment.
